RING LED Matt nickel spotlight

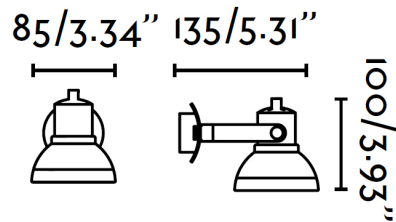

Ref. 40552

RING is a collection of design lamps by Alex & Manel Llusçà. It comprises multi-articulated spotlights with one, two and three lights with different finishes. This matt nickel spotlight with LED technology is built in metal. The light source is one bulb GU10 8W LED, not included. RING is a collection of luminaires to provide a certain touch of retro car to your home's indoor lighting.
