Sal y Pimienta

By Jorge Pensi Studio

Description / Descripción

Sal y Pimienta is presented in two versions: a traditional version with low backrest and another version with a vocation to furnish the space and turn it into an area of privacy, thanks to its high back. It has a metal, chrome-finished frame, a seat made of polyurethane and foam, and several cushions that allow for different configurations. An ideal collection for home and contract.

ES// Sal y Pimienta se presenta en dos versiones: una tradicional con el respaldo bajo y otra con vocación de amueblar el espacio y convertirlo en zona de intimidad, gracias a su respaldo alto. Se realiza con estructura de metal acabado en cromo, asiento de poliuretano y plumas, además de muchos cojines que permiten configurar diferentes interpretaciones de uso. Una colección idónea para hogar y contract.

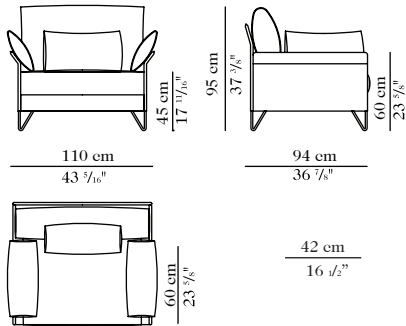

Production Process / Proceso Producción

Metal frame cut by laser, with anticorrosion treatment; suspension by means of high-quality elastic belts. Metal legs made of solid rod with shiny nickel/chrome finish. Seat made of a CFC-free high-quality polyurethane foam core, covered by a duvet filled with goose feathers and micro fibres. Backrest and auxiliary cushions made of goose feathers. Completely removable upholstery.

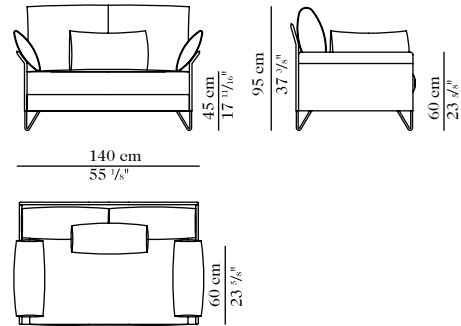

ES// Estructura metálica de corte por láser con tratamiento anticorrosión; suspensión mediante cinchas elásticas de alta calidad. Pies metálicos de varilla maciza con acabado níquel/cromo brillo. Asiento elaborado a partir de alma de es espuma de poliuretano de alta calidad y libre de CFC, envuelta por edredón de plumas de oca y micro fibras. Respaldos y cojines auxiliares realizados en plumas de oca. Totalmente desenfundable.
